| YEAR 3    | MONDAY    | WEDNESDAY |
| YEAR 4    | WEDNESDAY | THURSDAY  |
| YEAR 5    | TUESDAY   | FRIDAY    |
| YEAR 6    | TUESDAY   | FRIDAY    |

## OTHER ANNOUNCEMENTS

### **RUN Eaton**

We have now received further details about the upcoming Run Eaton event. Please note that this year's event will be for pupils only, and parents will not be able to attend.

Families will still be invited to support the children's efforts through sponsorship, and more information about how to do this will follow shortly.

### **SSP School Games GOLD Mark Award**

We are delighted to announce that we have achieved the School Games GOLD Mark Award for the 2025/26 academic year. A big congratulations to Mrs Barker!

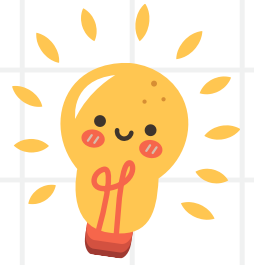

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

# LEARNING AT EATON

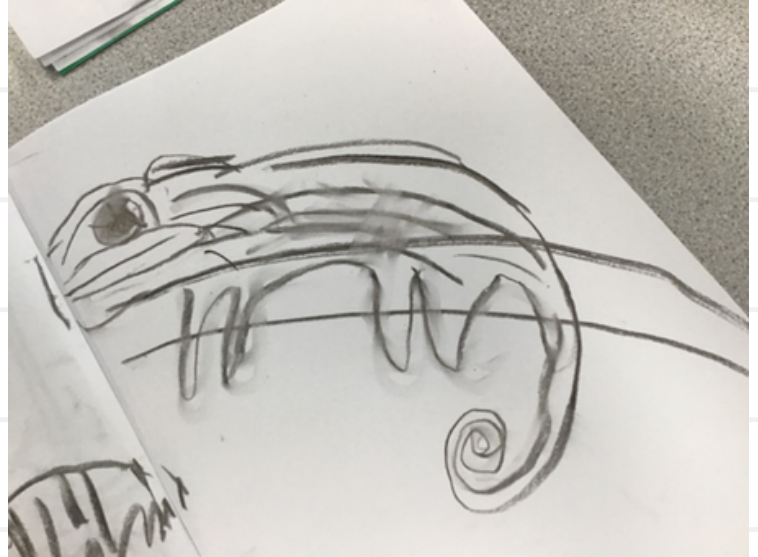

## YEAR 1

This week in art, Year 1 have been exploring the marks we can make using charcoal. We have been using different strokes and patterns to represent the weather and animals in our artwork.

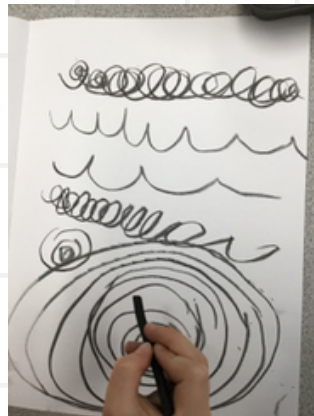

*"I made this bit darker so it stands out."*

*"I rubbed the charcoal bits together to make it dusty. Then I smudged it to make the marks."*

*"If I press hard this line gets darker than the other one."*

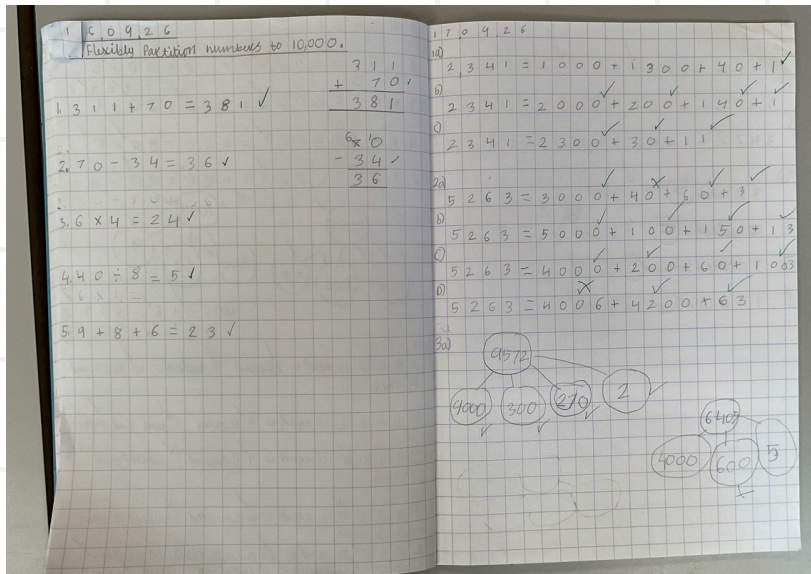

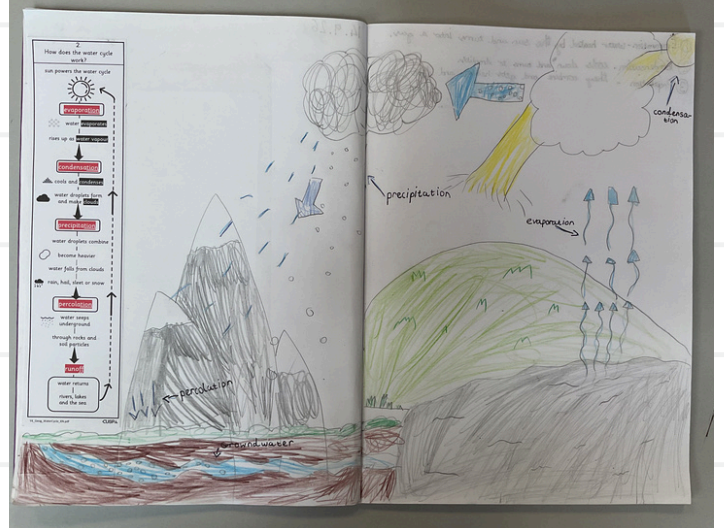

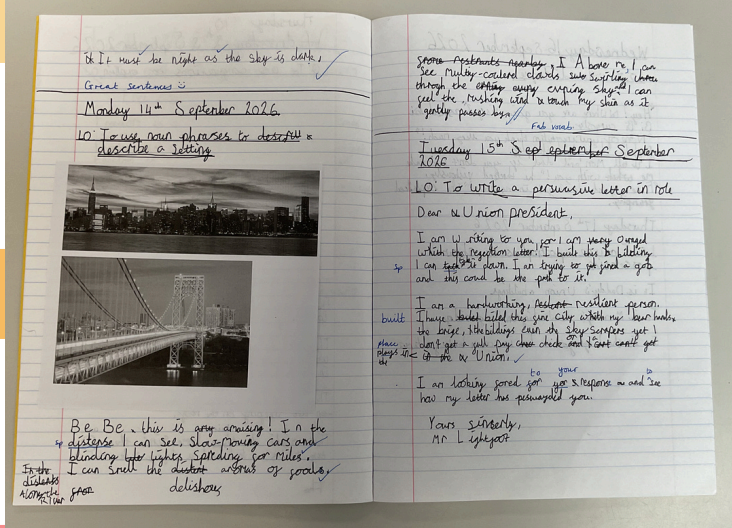

We created animals inspired by the way Hairy Maclary from Donaldson's Dairy is illustrated. We studied how lines were used to make him look scruffy.

## YEAR 4

Since we have been back at school, Year 4 have been busy getting back into the swing of school life and imbedding all of the routines which help make Eaton a fantastic place to learn and grow. We have been busy learning about computer networks and the internet, exploring our writing unit based around the book, 'Tar Beach', making sure we know our place value in maths and learning all about the water cycle in Geography.

4J have also started violin lessons this week which will take place every Tuesday morning this half term. 4CR will get the same opportunity after the October half-term!
